The Broken Toy

A Moral Story

A story about kindness, care, and fixing what we have.

Emma had a toy bear.

She loved to play with it.

One day, she pulled its arm too hard.

The arm came off.

Emma felt sad.

She wanted a new toy.

Her dad said, “Let’s fix it first.”

They got some thread and a needle.

Dad fixed the toy bear.

Emma thanked him.

After that, she played with her toys more gently.
