The Little Seed

A Moral Story

A story about patience, care, and trying again.

Noah found a tiny seed.

He put it in the soil.

He gave it some water.

Every day, Noah checked the pot.

But he saw nothing.
He felt sad.

His mom said, "Be patient. Good things take time."

Noah kept watering
the seed.

After many days, a tiny green leaf came out.

Noah smiled.

He learned that great things can grow when we are patient.

Moral: Be patient and keep trying.
